

***A Narrative of the Most Remarkable Particulars in the Life of James Albert Ukawsaw Gronniosaw***

**by Ukawsaw Gronniosaw (c.1705-1775)**

Ukawsaw Gronniosaw, also known as James Albert, was a freed slave and published the first slave narrative in the English language in 1770. This book gives a vivid account of Gronniosaw's life, from his capture in Africa, through slavery, to a life of poverty in Colchester and Kidderminster. It is devoid of the anti-slavery backlash ubiquitous in subsequent slave narratives. (Wikipedia)
